<p>I verify believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. <p>At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:</p> <p>I claimed less than I had a right to claim in issued Patent No. 5,868,675, in that at least Claim 1 recited elements unnecessary to define the invention, such as the recitation of "a three-dimensional image". A method and/or apparatus could have been otherwise more broadly claimed.</p>
